EMC GROUP GEELONG: GIFT VOUCHERS

PRIVACY POLICY

1. EMC Group Geelong approaches our communications on the Internet with respect for, and commitment to, individual privacy rights. We support active self-regulation of this environment to ensure that responsible marketers can maintain the right to use all communication media to interact with its consumers.
2. EMC Group Geelong is dedicated to keeping your details private. Any information we collect in relation to you is kept strictly secured. We do not pass on/sell/swap any of your personal details with anyone. We use this information to identify your orders and provide you with our email newsletter (if applicable). EMC Group Geelong uses cookies to allow you to login into your account, maintain a shopping cart and to purchase items in your shopping cart.
3. Whenever you use our websites, or any other website, the computer on which the web pages are stored (the Web server) needs to know the network address of your computer so that it can send the requested web pages to your Internet browser. The unique network address of your computer is called its "IP address", and is sent automatically each time you access any Internet site. From a computer's IP address, it is possible to determine the general geographical location of that computer, but otherwise it is anonymous.
4. We do not keep a record of the IP address from which users access our site, except where you have specifically provided us with information about yourself, in which case we also record your IP address for security purposes. An example of this would be when proceeding to a checkout to finalise an order you may wish to make. After completing the form provided, your IP address will be stored along with a transaction number that allows us to track your order.
